

### HVO - HYDRAULIC POWER TAKE OFFS

...give quality power to various all-terrain vehicle accessories: hydraulic generators, washers, jacks, hammers, lawn mowers, snow blowers, winches, compressors, grinders etc.

#### Professional quality

The HVO Hydraulic power take offs have been designed for professional use. The control valve allows you to use hydraulic cylinders as well as equipment with hydraulic motor.

#### Easy mounting and use

Installation of Dynaset hydraulic power take-off kits is simple and easy: no modification is required, and parts are fastened directly with screws.

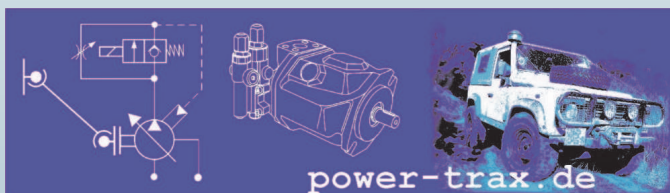

#### HVO Hydraulic power take-off installation kits include:

- Hydraulic pump with fixing parts
- Hydraulic tank with oil gauge
- Return filter
- Oil Cooler
- Control valve
- Hoses and couplings
- Quick couplings R $\frac{1}{2}$ "
